### **Parent Teacher Interviews and Celebration of Learning**

The staff at Colwood Elementary would like to thank all parents and caregivers for coming to Parent Teacher Interviews last week. It was great to connect with families and to update families on your child's achievements and successes.

Family support is so important and being partners in your children's education means success for everyone. Thank you again!

### **Do Not Park Along the Playground**

We had a vehicle park along the playground on Thursday and it caused a school district bus to have to go up onto the curb to get past it. This is both dangerous and inconsiderate of vehicles trying to exit the school grounds. **Do Not Park** along the playground. This is our dedicated fire lane for emergency vehicles.

---

### **Parking Lot Safety Upgrades Postponed**

Our parking lot safety upgrades have been postponed due to the weather. These upgrades will include more signage for slow speed, additional speed humps, a drop-off only area, no parking painted area as well as signage for no stopping in the fire lane which is all around the perimeter parking loop.

Note the new upgrades and obey the rules for our parking lots and driveway. Do not park anywhere on the driveway along the playground because it is our FIRE LANE, and you will be preventing other vehicles from passing. Please keep moving.
