- Open to students who were force transferred to an overflow school by the district or made the choice to leave their in-catchment school and would like to return.
- Open to students who are requesting a transfer to an out of catchment school under extenuating circumstances. Families should have conversations with their current school principal to discuss prior to submission of a school change request. Most of our schools do not have the capacity to accept out of catchment students.
- If you have moved and would like to go to your new school catchment area

### Hot Lunch Coordinator

PAC is seeking a dedicated volunteer to take over some of the Hot Lunch responsibilities for May, June, and ideally into the new school year.

Please reach out to Colwood Elementary PAC at [colwoodelementarypac@gmail.com](mailto:colwoodelementarypac@gmail.com) for any other questions or information.

If we are unable to find a volunteer, this valuable program will regrettably be unable to continue into the new school year. The Hot Lunch program generates thousands of dollars annually for the PAC, which is used to fund field trips, concerts, consumables, teacher requests, and more. Your contribution would make a significant impact on our school community.
