Warm Weather Care

Now that our warm weather has arrived, it is great to see our students in hats and sunglasses. Please take the time in the morning before school to put some sunscreen on your child if that is your practice and be sure to send them with a water bottle so they stay hydrated during the day. Thank you for being sun aware.

Fun Fair Update

The online 50/50 raffle for this year is now open! The winner will be drawn on the night of the Fun Fair, so you could walk away with some cash in your hand. For a chance to win, and support our school at the same time, buy tickets here: colwoodelementary.rafflenexus.com

Only a few jars have been sent in for the Jar Game. A lot more are needed to reach the goal of 500! Please send in clean jars (or any containers) filled with small items like toys, crafts, candy, etc. This is the perfect opportunity to get rid of those tiny toys that your kids never play with anymore!

More volunteers are needed to run the games at the Fun Fair from 7:00-8:00pm. Please sign up here: volunteersignup.org/HJR9F

Stay tuned for another update next week.

Thank you,
Colwood PAC

Hot Lunch Coordinator

PAC is seeking a dedicated volunteer to take over some of the Hot Lunch responsibilities for May, June, and ideally into the new school year.

Please reach out to Colwood Elementary PAC at colwoodelementarypac@gmail.com for any other questions or information.

If we are unable to find a volunteer, this valuable program will regrettably be unable to continue into the new school year. The Hot Lunch program generates thousands of dollars annually for the PAC, which is used to fund field trips, concerts, consumables, teacher requests, and more. Your contribution would make a significant impact on our school community.

Summer Camp Opportunity – Greenegin Karate – Flyer Attached

We are offering karate summer camps uniquely designed to bridge physical and academic readiness—led by a highly accredited karate coach who also works as an Educational Assistant within School District 62. With firsthand insight into what children need to thrive in the classroom, these camps are thoughtfully structured to support both physical development and learning readiness.

Children ages 4–12 leave camp more focused, emotionally regulated, and genuinely eager to learn—ready for the school year ahead.
